ORTHOPAEDIC TRAUMA

A Practical Guide to What We Need to Know in 2017

May 5–6, 2017 – Marriott Marquis, New York, NY

COURSE DIRECTOR

Melvin P. Rosenwasser, MD
Robert E. Carroll Professor of Surgery of the Hand
Columbia University Medical Center
Columbia University
Chief of Orthopaedic Trauma & Hand Services
New York–Presbyterian Hospital
New York, NY

P R O V I D E D B Y
Melvin P. Rosenwasser, MD
Carroll Professor of Hand Surgery
Columbia University College of Physicians
Chief of Orthopaedic Trauma and Hand Service
New York–Presbyterian Hospital
New York, NY

Mark E. Baratz, MD
Orthopaedic Surgeon
University of Pittsburgh
Medical Center
Pittsburgh, PA

Justin K. Greisburg, MD
Chief of Foot & Ankle Service
Columbia Orthopedics
New York, NY

Charles M. Jobin, MD
Assistant Professor of Orthopedic Surgery
Columbia University Medical Center
New York, NY

R. Kumar Kadiyala, MD, PhD
Chief of Orthopedic Service
New York–Presbyterian/Allen Hospital
Professor of Orthopedic Surgery
Columbia University Medical Center
New York, NY

William N. Levine, MD
Frank E. Stinchfield Professor & Chairman of the Department of Orthopedic Surgery
Columbia University Medical Center
New York, NY

David Lowenberg, MD
Chief of the Orthopaedic Trauma Service and Clinical Professor
Stanford University Medical Center
Redwood City, CA

Roy Sanders, MD
Chief of the Department of Orthopaedics
Tampa General Hospital
Director of Orthopaedics Trauma Service
Florida Orthopaedic Institute
Tampa, FL

Emil Schemitsch, MD, FRCSC
Associate Scientist
Keenan Research Centre for Biomedical Science
Professor of Surgery at the University of Toronto
Canada

Andrew H. Schmidt, MD
Chairman of the Department of Orthopedic Surgery
Hennepin County Medical Center
Minneapolis, MN

Robert J. Strauch, MD
Professor of Orthopedic Surgery
Columbia University Medical Center
Attending Physician
New York–Presbyterian Hospital
New York, NY

Nirmal Tejwani, MD
Orthopaedic Surgeon
NYU Langone Medical Center
New York, NY

Donald Wiss, MD
Director of Orthopedic Trauma
Cedars–Sinai Medical Center
Los Angeles, CA
COURSE DESCRIPTION

This course is designed to present advanced instruction of upper and lower extremity trauma to practicing orthopaedic surgeons and orthopaedic residents who have working knowledge of present technology. Participants will be updated on the new techniques and philosophies in the modern management of orthopaedic trauma. Participants will learn to identify and understand the appropriate salvage procedures for difficult trauma cases through didactic lectures, cases presentations and hands-on workshops. The hands-on workshops, with equipment and saw bones, will offer participants the opportunity to apply these new techniques for treating fractures of the upper and lower extremity. Ample individualized instruction will be provided by faculty members. By making physicians aware of these newest options in treatment, we hope to lessen patient morbidity and enhance satisfaction and outcome.

COURSE OBJECTIVES

Upon completion of this course, learners will be able to:

- Apply new techniques in learners specific practices
- Acquire working knowledge of salvage procedures for difficult trauma cases.

TARGET AUDIENCE

This course is designed to meet the needs of Orthopaedic Surgeons, Nurses, PA's, MA's and mid-level providers whose scope of practice includes orthopaedic trauma.

ACCREDITATION

FORE is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

FORE designates this live activity for a maximum of 16 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

For the purpose of re-certification, the following organizations accept AMA PRA Category 1 Credits™ from organizations accredited by the ACCME.

- American Nurses Credentialing Center (ANCC)
- The American Academy of Physician Assistants (AAPA)
REGISTRATION OPTIONS

1 | Online: ForeOnline.org           2 | Phone: 813–877–8096

Registration fee includes course materials, workshops, breaks, breakfasts, and lunches for the participant only. A confirmation email will be sent one week prior to the activity (no registration is confirmed without full payment).

ACCOMMODATIONS

New York Marriott Marquis
1535 Broadway,
New York, NY 10036
Reservations: (212) 398–1900
Reservation link: https://aws.passkey.com/e/49058502

A block of rooms has been reserved at the New York Marriott Marquis at the rate of $339.00 per night plus taxes and hotel fees. Reservations may be made by calling 212 398–1900 and mentioning Foundation for Orthopaedic Research & Education. You can also book directly online at https://aws.passkey.com/e/49058502. The reservation deadline is April 13, 2017. Attendees are encouraged to book early.

DISABILITIES

Please notify the Continuing Medical Education Office, 4115 W. Spruce Street, Tampa, FL 33607 or call 813–877–8096 a minimum of ten working days in advance of the event if a reasonable accommodation for a disability is needed. Events, activities and facilities of Foundation for Orthopaedic Research and Education are available without regard to race, color, sex, national origin, disability, age or veteran status as provided by the law and in accordance with FORE's respect for personal dignity.

REFUND POLICY

Cancellation notification must be in writing (email CME@FOREonline.org) and received by the close of business on April 5, 2017. A cancellation fee of $50 will be assessed. Cancellations received after April 5, 2017 will not receive a refund. No-shows will not receive a refund.

FORE reserves the right to cancel this program due to unforeseen circumstances, in which case a full refund of registration fees will be given to participants. FORE will not be responsible for travel expenses incurred by the participant in the unlikely event that the Program is cancelled.

**1:45 PM**  Keynote: Marvin L. Shelton Memorial Lecture  Donald Wiss, MD
SESSION III: UPPER EXTREMITY 2

Moderator: William N. Levine, MD

2:15 PM  Reverse Total Shoulder: When and How?  William N. Levine, MD
2:30 PM  Elbow Fracture Dislocations: My Algorithm  Charles Jobin, MD
2:45 PM  Forearm Fractures– What Approaches?  Robert J Strauch, MD
3:00 PM  Distal Radius Fracture: What's New?  Melvin P. Rosenwasser, MD

Upper Extremity Cases 2– What Went Wrong / Failed ORIF?

3:15 PM  Elbow Fracture Dislocation  Emil Schemitsch, MD
3:20 PM  Distal Radius  R. Kumar Kadiyala, MD
3:25 PM  Reverse Total Shoulder Replacement  Charles Jobin, MD
3:30 PM  Panel Discussion  William N. Levine, MD, Charles Jobin, MD, Robert J Strauch, MD, Melvin P. Rosenwasser, MD, & Emil Schemitsch, MD

3:40 PM  Workshop III– Bioskills: Retrograde Femoral Nail  Roy Sanders, MD
4:40 PM  Workshop IV– Bioskills: Tibial Nailing  Nirmal Tejwani, MD
5:40 PM  Adjourn

Saturday, May 6, 2017

7:00 AM  Breakfast / Treatment Exhibits

SESSION IV: LOWER EXTREMITY 2

Moderator: David Lowenberg, MD

7:30 AM  Soft Tissue Coverage–Open Tibia  David Lowenberg, MD
7:45 AM  Proximal Tibial Fractures Nail vs. Plate  Donald Wiss, MD
8:00 AM  Distal Tibia Fractures Nail vs. Plate  Andrew Schmidt, MD

Lower Extremity Cases 2: What Went Wrong / Failed ORIF?

8:15 AM  Proximal Tibial Nailing  Emil Schemitsch, MD
8:20 AM  Distal Tibial Nailing  Roy Sanders, MD
8:25 AM  Distal Tibial Plating  David Lowenberg, MD

8:30 AM  Panel Discussion  David Lowenberg, MD, Donald Wiss, MD, Andrew Schmidt, MD, Emil Schemitsch, MD, & Roy Sanders, MD

SESSION V: UPPER EXTREMITY 3

Moderator: Mark Baratz, MD

8:40 AM  Humeral Shaft Fractures– Which need ORIF?  Melvin P. Rosenwasser, MD
8:55 AM  Radial Head Replacement: When and How?  Mark Baratz, MD
9:10 AM  Innovation in Proximal Humerus Fixation  Andrew Schmidt, MD
9:25 AM  Hand Fractures– When can be treated closed with success?  Robert J Strauch, MD
### Upper Extremity Cases 3 - What Went Wrong / Failed ORIF?
