ARS Question-Plan?

- 1 Cast 0%
- 2 External Fixation 0%
- 3 Plate 86.21%
- 4 Nail 13.79%

POLL OPEN

Where do you stop??

The image shows a poll interface with a progress bar for 'Plate' at 86.21% and 'Nail' at 13.79%. It includes two X-ray images: a knee joint with a total knee replacement and a femoral shaft with an intramedullary nail. A 'POLL OPEN' button is visible in the top right corner.

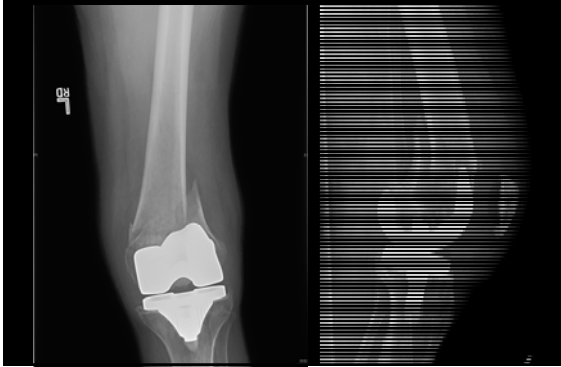

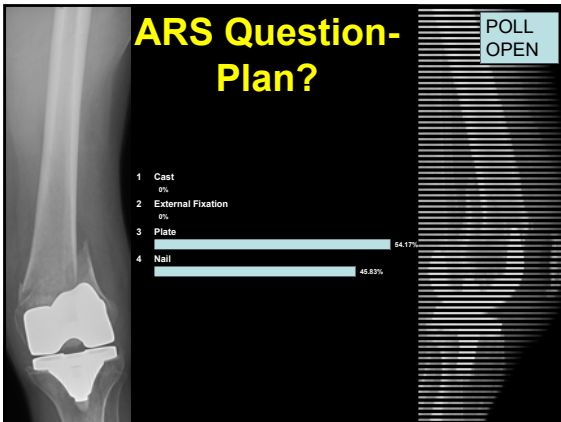

78 yo Female
