---

---

---

---

# Case 3

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

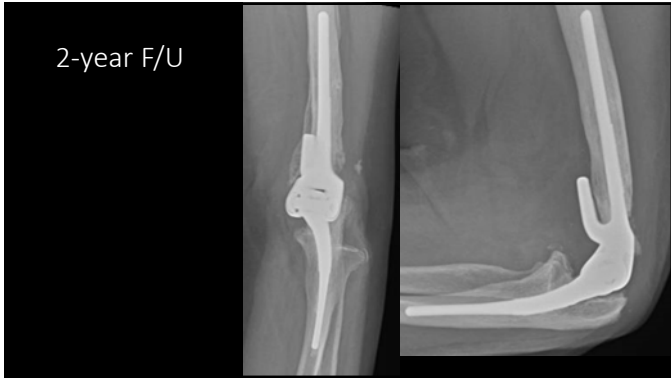

---

---

---

---

---

---

---

---

### Options

- Revision ORIF
- TEA
- Distal Humeral Replacement

---

---

---

---

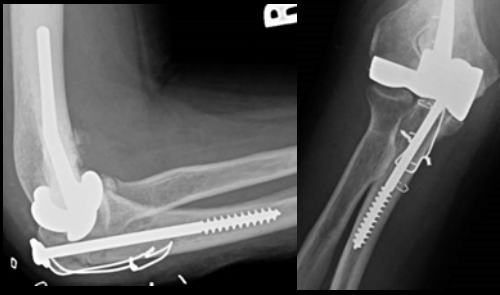

---

---

---

---

### Initial Post-op

---

---

---

---

---

---

---

---

### 2-year follow-up

ROM: 40-140  
No Pain

---

---

---

---

---

---

---

---

# Case 5

---

---

---

---

---

---

---

---

### History

- 80 year old 20 years s/p Press-fit TEA (Figgie)
- 6 weeks ago Felt Pop and felt instability
- Crepitus
- Global Instability

---

---

---

---

---

---

---

---

### Options

- Custom Bearings
- Revision
